1. The same person at any event can undertake several of the duties detailed below provided they are qualified for each.

1.1. Stewards of the Meeting however must not undertake any other duties.

1.1.2. Officials (other than Stewards) may appoint assistants to whom any of their duties may be delegated.

1.1.3. As a general principle, all senior Officials should be at least 18 years of age.

Note: Throughout these sections an asterisk (*) indicates a requirement for additional information to be printed in the Supplementary Regulations (SRs).

Text shown in Italics indicate a Regulation which may be amended in the SRs.

1.2. At any event there must be:

- A Clerk of the Course
- A Scrutineer
- Stewards (2.2), and
- Timekeepers if appropriate.

1.2.1. The Stewards of the Meeting act in an honorary capacity but other Officials may be remunerated as specified in the Regulations.

1.2.2. The organising club is responsible for meeting all fees in respect of Officials nominated by the MSA, who will invoice the club accordingly.

1.2.3. The MSA may nominate one or more Stewards or Observers to any event.

1.2.4. All other Officials will be nominated by the Organisers to the requirements of the MSA, who may require certain Officials to be licensed or otherwise registered.

1.3. No individual may compete in an event for which he is nominated as an official. This includes any person nominated as an official in the regulations or programme of an event even though the individual named does not in fact carry out his official duties.

1.4. Registered Clubs must allow MSA pass holders free and appropriate access to any MSA-sanctioned event.

1.4.1. All MSA pass holders will make themselves known to the Secretary of the Meeting to 'sign on'.

1.4.2. Apart from their appointment as an Official of the event, the holder will not have any Official duty nor have the authority to intervene in the running of the event.

1.4.3. The MSA Pass, which remains the property of the MSA, will show the year of validity, carry the name and photograph of the holder and will not be transferable.

1.5. MSA Pass Holders are defined as current members of the Motor Sports Council, current Directors and Executive Staff of the MSA.

Stewards

2.1. The Stewards of the Meeting act as the second judicial body at any event, and are responsible for hearing and adjudicating upon any Appeal against a decision by the Clerk of the Course or other Official.

2.1.1. Stewards are also responsible for the forwarding to the MSA of any fines or protest fees collected.

2.1.2. Stewards should be thoroughly experienced in motor sport and of those appointed by an organising club, at least one must be a person whose motor sporting activity is not confined to that club alone and who is not an Official of that club.

2.1.3. The Stewards must have no executive duties in connection with the organisation of a meeting and are responsible only to the MSA.

2.1.4. In a meeting comprising several events there may be different Stewards for each event.

2.1.5. Where the MSA appoints a Steward of the Meeting, that Steward (or the Senior Steward if more than one is appointed) will act as chairman of the Stewards of the Meeting.

2.1.6. At all times the Stewards of the meeting should act through the Clerk of the Course.

2.2. There must be three (and no more) Stewards at every meeting, one of whom should be MSA-appointed.

2.2.1. If three are not available, suitable people must be co-opted by the existing Steward(s).

2.2.2. In the absence of an MSA-appointed Steward, the senior Club Steward will assume his duties.

2.2.3. Exceptionally, at Clubman Road/Navigation Rallies and Clubman or National B Autotests, Trials or Cross Country events, there may be a minimum of one Steward, but always an odd number.

2.3. Copies of all regulations, notices, etc, must be provided by the organising club for the use of Stewards as far as possible in advance of the event.

2.3.1. The Stewards must satisfy themselves that the conditions of the Permit (and track licence if appropriate) are complied with and have the power to withdraw a Permit in the event of non-compliance.

2.3.2. Organisers should make available a private room for the Stewards' discussions and should arrange for a meeting of the Stewards prior to the start of an event so that any issues may be discussed.

2.3.3. Stewards must initiate investigations into any incident or breach of Regulations they observe or is reported to them.

2.3.4. Stewards can act from the moment that documentation or Scrutineering commences until the deadline for any appeals has expired.

2.3.5. Stewards may adjourn the hearing of any appeals if required.

2.3.6. In cases where a judicial hearing must take place after a Meeting, the Stewards may delegate their authority to the panel of Stewards at a subsequent Meeting or alternatively to a panel of Stewards assembled for this purpose and which shall be selected by the authority(ies) responsible for the selection of the original panel. Such delegation must be made in writing.

2.4. Stewards have authority to enforce compliance with the Regulations and to adjudicate on any Appeal arising during the meeting. In particular they can:

2.4.1. Modify the Supplementary Regulations in exceptional circumstances (D.11).

2.4.2. Subject to 2.5 in the case of force majeure or for safety reasons, instruct the Clerk of the Course to postpone, abandon or stop an event or part of an event (except as provided for in (Q.5.4). Any such instruction must be formally recorded. Provided that an event is run in more than one heat or part, these powers may, if thought fit, be exercised in respect of one heat or part.

2.4.3. Deal with any matter referred to them by the Clerk of the Course under the powers of 5.3, and if the offence is considered sufficiently serious impose further penalties under C2.6.3.

2.4.4. Alter the composition of or consolidate heats.

2.5. The Stewards of a Meeting have another major function, to prevent unnecessary danger, and the MSA Steward has overriding authority in matters of safety save where the MSA has appointed a Safety Delegate, in which case the Safety Delegate shall have overriding authority in matters of safety.

2.5.1. In this respect Stewards should always try and act as a body, unless there are overriding considerations of urgency.

2.5.2. Any Steward who is forced to take individual action should inform his fellow Stewards and the Clerk of the Course as soon as possible.

2.5.3. No Steward should commit any act or give any order except as required to execute his role.

2.6. As soon as possible after an event the Stewards, with assistance from the Clerk of the Course, must send a Stewards of Meeting Report (D.26.4) to the MSA giving particulars of:

The Event Director (Race Director, Rally Director etc) is the Official appointed at major international meetings by the organising committee (or the MSA) who is responsible for the overall planning of the meeting, for maintaining the timetable (including non-sporting aspects) and for compliance with FIA and MSA prescriptions and protocol.

The Clerk of the Course

5.1. The Clerk of the Course has overall responsibility for the general conduct and control of an event in accordance with the Regulations, Programme and Organising Permit.

5.1.1. The Clerk's duties commence at the opening date for receiving entries, and conclude once the results have been finalised, any protest time has expired, all protests and appeals have been dealt with, and any post-event inspections of vehicles or components have been completed and reported on.

5.1.2. The Clerk of the Course must be present throughout practise and the Competition in order to carry out the specified duties.

5.2.19. (3.1, H.13, Q.4.2). Sign competition licence Upgrade Cards (except in respect of Kart Races, with the exception of Long Circuit Karting). As a guide, the following conditions will need to be met before a signature is given:

- a) A driver must perform satisfactorily at competitive speeds and must not receive any adverse reports regarding his driving

(G) Officials

5.3.5. Penalise a Competitor found guilty of breaching C.1.1.5. This does not preclude the Competitor also being reported to the Stewards of the Meeting for further penalties under C.2.6.3.

5.3.6. Penalise any Competitor found guilty of abusive language or behaviour or physical assault or threat of physical assault. This does not preclude the Competitor also being reported to the Stewards of the Meeting for further penalties.

5.3.7. Impose a time penalty of up to 10 seconds for competitions of 30 miles or less or up to one minute if over 30 miles or in an Endurance race ((Q)6.2.) a time, position or lap penalty may be imposed upon any Competitor in a race meeting who he considers has gained an unfair advantage (whether inadvertently or not). This regulation does not preclude such a Competitor being reported to the Stewards for alternative penalties. In un-timed Kart Races, this penalty may be replaced by a position penalty (C.2.3).

5.3.8. Impose a fine as detailed in Part 3, Appendix 1 on any Competitor who fails to attend, or who reports late at, a scheduled Drivers' briefing, or on any Driver who has not raced at the circuit before and who fails to report for a pre-practice briefing (Q.4.2).

5.3.9. All driving penalties applied must be recorded on the Driver's Competition Licence Record

5.3.10. All exclusions, penalties or fines must be reported by the Clerk of the Course personally to the Stewards of the Meeting. Fines must be handed to the Stewards for onward transmission to the MSA.

Timekeepers and Handicappers

6.1. Timekeepers and Handicappers are appointed and licensed annually by the MSA from people holding the relevant annual MSA appointments (except for National B or Clubman non-speed competitions when this requirement only applies if specifically imposed on the MSA Organising Permit).

6.1.1. All are subject to an annual performance review and their appointment can be revoked at any time.

6.1.2. They should have no connection with any particular trader or manufacturer who might benefit in any way from the result of any competition at which they officiate.

6.1.3. Timekeepers can only officiate in accordance with their appointed grade and using the appropriate certified equipment and procedures relevant to a particular event.

6.1.4. The Chief Timekeeper is responsible for the appointment, and conditions of appointment, of staff.

6.1.5. The organising club must provide all necessary information and is responsible for meeting all approved costs of the Officials and for providing adequate facilities for them to carry out their duties.

6.1.6. The Chief Timekeeper may employ other suitably experienced assistants.

6.1.7. The minimum Permitted grade of Timekeeper in charge at any event is given in the accompanying table (Table No. 6).

Duties of Timekeepers

6.2. The principal duties of Timekeepers are to:

6.2.1. Report personally to the Chief Timekeeper at the start of an event

6.2.2. Use appropriate certified equipment for the type and grade of event and for the authenticity of the results produced.

6.2.3. Register appropriate times for the competition, and any other times required by the Clerk of the Course, sign the timing reports and pass them to the Chief Timekeeper.

6.2.4. Send their original time sheets to the Clerk of the Course, the Stewards of the Meeting or the MSA, if requested.

6.2.5. Communicate any times or results only to the Clerk of the Course, the Stewards of the Meeting or in accordance with their instructions.

6.2.6. Prepare and sign a report relating to timing and send it with all necessary supporting documents to the Clerk of the Course (or to the MSA in the case of a record attempt).

6.2.7. Act as Judge of Fact in respect of timing matters at Race and Speed events. If there is no Chief Timekeeper at Kart Race meetings, the Chief Lap Scorer will be a Judge of Fact in respect of laps completed and finishing order.

6.3. At Speed events Timekeepers must NOT accept responsibility for ensuring the course is clear in order to permit the next Competitor to start.

6.3.1. The Clerk of the Course must appoint a Starter whose duty it shall be to notify the Timekeeper when the course is ready for the next Competitor (5).

Timing Requirements

6.4. Times recorded using manually-operated equipment should be rounded to the nearest 0.1 of a second.

6.4.1. The accuracy of automatically-operated equipment will be as classified.

6.4.2. Where times are not to be published, speeds should be given to the nearest mile per hour and no minimum standard of equipment applies.

6.4.3. When calculating average speeds, the result should be consistent with the accuracy of time and distance measured, and must be rounded down at all times.

6.5. Standing Start Speed Events:

6.5.1. For Hill Climbs and Sprints, timing is only permitted up to an accuracy of 0.1 or 0.01 seconds.

6.5.2. For vehicle-activated timing, the alignment for start time must relate to a specific part of the vehicle having moved forward 100mm from rest. The Permitted tolerance for this alignment is $\pm 50\text{mm}$ or $\pm 5\text{mm}$ for times rounded to 0.1 sec or 0.01 seconds respectively.

6.5.3. For Hill Climbs, Sprints and record attempts, the Chief Timekeeper will arrange for an appointed Timekeeper to be positioned at the start line to ensure that each vehicle is correctly aligned before being Permitted to start.

6.5.4. Where timing is actuated by a light beam, only cars fitted with a timing strut will have their times recorded (S.10.9).

6.5.5. For Speed Events (except Drag Races) the light beams must be set parallel to, and between 280mm and 430mm above the road surface. The light beam at the finish must be set at the same height as the start beam. Competitors must be positioned at the start so

that the part of the car that will break the beam is 100mm behind it.

6.5.6. For Speed Events (except Drag Races) the Course Clear/Closed signal must be separated from any other signal.

6.5.6.1. For Drag Racing two separate performances are monitored for each run, the elapsed time and the speed. On an elapsed time run the car first leaves the starting line connecting the beam which activates the electronic timer. As the car continues through the course the timer records the elapsed seconds and fractions of seconds until the car breaks the finish line beam and stops the timer. Top speed is determined by the car breaking one additional light beam at the finish line.

Should the driver react to the timing system too quickly and drive away from the starting line before the green "go" signal then he will have had a foul start and be disqualified (red light start).

6.5.7. The Course Closed signal must be red and, if it is a light, must be fitted with at least two bulbs. The Course Clear signal must be green and be activated in accordance with 6.3.

Alignment Lights

6.5.8. Where alignment lights are used, they must be in a separate housing and can be of any colour except red or green. When course conditions require, a repeater of the Course Clear signal can also be incorporated in this housing.

Autocross and Rallycross Events

6.5.9. The start of timing should be synchronised with the starting signal, and not activated by a light beam.

Rallying Events

6.5.10. Where times are recorded to the nearest minute, a timepiece with an accuracy validated against GMT/BST Time is Permitted (R.2.7).

Timing Equipment

6.6. All timing equipment used at any MSA Permit event must have a licence plate attached, and proof of current certification must be available at all times.

6.6.1. For Stage Rallies, the Chief Timekeeper must provide the MSA Steward (or send to the MSA within seven days) a standard report form listing the certificate numbers, serial numbers and names of the suppliers of the clocks being used.

6.6.2. Any Laser equipment must have MSA approval before use.

6.6.3. Adequate warnings must be displayed that a laser beam is being used, and precautions taken to prevent any person looking directly into the beam.

Handicappers

6.7. There shall be an MSA-licensed Handicapper in attendance throughout any event where results depend on a handicap.

6.7.1. After entries have closed, the Handicapper shall prepare the handicaps in accordance with the SRs, which should state if any handicap is to be varied following a performance made in a previous event at the same meeting.

6.7.2. In the case of a handicap race where the handicap is applied at the start, the starter must be a Timekeeper.

Scrutineers and Technical Commissioners

7.1. Technical Officials are appointed and licensed annually by the MSA from people holding the relevant MSA appointments (except for National B or Clubman non-speed competitions where this requirement only applies if specifically imposed on the MSA Organising Permit).

7.1.1. All Special Stage Rallies must have an MSA-licensed Scrutineer.

7.1.2. The Chief Scrutineer is responsible for the appointment, and conditions of appointment of staff.

7.1.3. The organising club must provide all necessary information and is responsible for meeting all approved costs of the officials and for providing adequate facilities for them to carry out their duties.

7.1.4. The Chief Scrutineer can employ other suitably experienced assistants, but lay assistants cannot give final approval for the participation of any vehicle.

7.1.5. Scrutineers are responsible for checking the mechanical state of vehicles both in regard to compliance with all Regulations and in the interests of safety (H.32).

7.1.6. There must be a Chief Scrutineer present at all events and not less than one Scrutineer for every 45 vehicles entered for the event.

7.1.7. All Scrutineers must report to the Chief Scrutineer at the start of a meeting.

7.1.8. The Chief Scrutineer can be nominated by the MSA, who may also appoint other Officials for specific duties in connection with vehicle eligibility. In other instances the organising club is responsible for appointing these Officials.

7.2. The time allowed for scrutiny shall be such that no more than 10 vehicles per hour are required to be examined per Scrutineer.

7.2.1. Scrutineers will signify acceptance of a vehicle by issuing a label showing details of the event.

7.2.2. For MSA Scrutineers the label must bear the MSA logo.

7.2.3. The label must be attached to the vehicle for the duration of the event (H.32).

7.2.4. When a Scrutineer rejects a vehicle, details must be put in writing with a copy, timed and signed by the Competitor, retained by the Scrutineer.

7.2.5. The decision of a Scrutineer may be overruled by the Stewards of the Meeting in the course of adjudicating on a properly registered Appeal.

7.2.6. At all events the Chief Scrutineer must supply a written report to the Clerk of the Course covering all vehicles examined, giving reasons for any rejections.

7.2.7. MSA-appointed Scrutineers and Technical Commissioners must report any findings to the Chief Scrutineer and Clerk of the Course, with a copy direct to the MSA.

7.3. In particular, Scrutineers shall:

7.3.1. Make inspections at any time at the request of the Organisers, the MSA, the Clerk of the Course, Chief Scrutineer or Technical Commissioner.

7.3.2. Use only such measuring instruments as may be specified by the MSA.

(G) Officials

7.3.3. Communicate Official information only to the Clerk of the Course, the Stewards of the Meeting or the MSA.

7.3.4. Prepare and sign the reports of their inspections and pass them to the Clerk of the Course and the MSA, as appropriate.

7.3.5. Attend two out of three annual Seminars to maintain their appointment (28).

7.4. The Chief Scrutineer (and any Deputy) shall remain on duty throughout an event.

Forestry Liaison Officers

25.1. The MSA has appointed Forestry Liaison Officers (FLOs) to each Forest Enterprise District in England and Wales and to the Regions in Scotland to provide a liaison between Organising Clubs, the MSA and Forest Enterprise.

25.1.1. The FLOs and the areas for which they are responsible are listed in the Appendices.

25.1.2. The detailed Regulations regarding the arrangements for the authorisation of events seeking use of the Enterprise's land are available from the MSA.

25.1.3. However, it is important that Clubs who are seeking usages DO NOT contact the Forest Enterprise direct, but channel their enquiries through the

appropriate FLO who will give guidance as to likely availability and specific problems on the use of particular forests.

Route Liaison Officers

26.1. Integral with the MSA's authorisation of motor rallies under the Motor Vehicles (Competitions and Trials) Regulations are responsibilities to consider the extent to which the holding of an event might prejudicially affect the safety, amenity and confidence of members of the public.

26.1.1. This responsibility is one that the MSA takes seriously. It is accountable not only to the Department for Transport and the Minister responsible for the enforcement of the Regulations, but also to members of the public who may be affected by the event and feel it necessary to voice their objections, either directly to us, or via the Police, local Councils or their MP.

26.1.2. For this reason the MSA appoints a Route Liaison Officer (RLO) to each of the County Police Authorities.

26.1.3. These Liaison Officers undertake duties on behalf of the Competition Authorisation Office (CAO) and must be considered as "Officials of the MSA".

26.1.4. It is important that they are seen to act impartially with all Clubs.

26.1.5. The RLO's and the areas for which they are responsible are listed in the Appendices.

Radio Co-ordinators

MSA Safety and Medical Frequency

27.1. The MSA appoints Radio Co-ordinators for assistance in the administration of the MSA Safety and Medical Frequency.

27.1.1. These Co-ordinators hold lists of approved Radio Controllers in their respective areas.

27.1.2. Details of the radio procedure to be used for this frequency are available from the MSA. Motor Clubs may consult with these Co-ordinators over operational procedures, administrative matters and the organising of specific training days.

Radio Controller Probationary

Qualification

27.2. Applicants must be 18 years of age and over, MSA registered Rally Marshals at a minimum of Rally Senior Marshal level and have attended:

27.2.1. For Single Venue grade: at least five Single Venue Rallies as a radio operator.
or

27.2.2. For Multi-Venue grade: at least 10 Rallies (of which a minimum of five must have been Multi-Venue events) as a radio operator.

Training Period and Requirements

27.3. Applicants must:

27.3.1. Liaise with an MSA Radio Co-ordinator regarding initial training requirements.

27.3.2. Hold a Probationary Controller Licence.

27.3.3. Collect signatures from active Licensed MSA Radio Controllers and event Clerks of the Course, as validation of undertaking the following duties (one set of signatures is required per event):

(G) Officials

- a) Sitting in control during three events.
- b) Assisting in controlling three events.

27.3.4. Attend at least one out of three consecutive MSA Seminars to which they are invited.

27.3.5. Complete all the required tasks referred to in the Trainee MSA Safety & Medical Communications Controllers Log Book. This Modular Training Programme must be completed in not less than 12 months and not more than 36 months from date of appointment as Probationary.

Upgrading

27.4. For applicants upgrading to a Multi-Venue Radio Controllers Licence, 27.3.3 a), b) and c) above must be completed at Multi-Venue Rallies.

Radio Controller

Qualification

27.5. Applications may be received from Probationary Radio Controllers who have satisfied the requirements of 3. above. Applications must be accompanied by a letter of endorsement from an MSA Radio Co-ordinator.

Maintenance Criteria

27.6. In order to maintain their grade, Controllers should:

27.6.1. Apply annually to re-Licence providing evidence as below.

27.6.2. Attend at least one out of three consecutive MSA Specialist Seminars to which they are invited.

27.6.3. Gain a minimum of three signatures from Clerks of the Course annually to verify continued activity as a Controller. Alternatively, under exceptional extenuating circumstances, gain an MSA Radio Co-ordinators signature to support re-licensing.

27.6.4. Failure to produce evidence of the maintenance may result in a review of the grade issued.

Technical Officials

Appointments (7)

28.1. The Technical Group comprises Scrutineers (both Car and Kart) and Technical Commissioners. (See Chart 28 at the end of this section.)

28.1.1. All members of the Technical Group are licensed annually by the MSA.

28.1.2. Because of technological advances in materials and design and the rapid evolution and complexity of technical regulations, licensing will also relate to the various categories shown.

28.1.3. The objective is to provide a better match of the experience and qualifications of the Officials to the task required of them, as well as assisting Clubs in contacting the people most suitable for their events.

28.1.4. In order that Scrutineers and Technical Commissioners meet the ever-increasing demands of Motor Sport, it is clearly essential that standards be safeguarded. To this end Chief Scrutineers are required to monitor attendance and performance of Scrutineering personnel at their events.

28.1.5. Maintenance and upgrading details for all

Scrutineer grades, and details of the requirements for grade maintenance and upgrading, are available from the Technical Department at the MSA.

Trainee Scrutineers

28.2.1. Trainee Scrutineers are a most important Group since they provide the senior Officials of the future.

28.2.2. Their potential, enthusiasm and commitment is comprehensively assessed before they are appointed as Scrutineers.

28.2.3. Though not listed in this Yearbook (nor eligible for expenses), they are registered with the MSA who would urge Clubs to actively recruit suitable candidates and provide 'on-the-job' training and experience through their Chief Scrutineers.

28.2.4. Conversely, Trainee Scrutineers should seek tutors and mentors to help them progress.

Qualification

28.3. The organisation chart at the end of this section indicates the age, experience and qualifications required for each Group.

28.3.1. The minimum time may be reduced dependent upon number of events attended, and the qualifications, suitability and aptitude of the individual.

28.3.2. It is not intended that the system affects existing Scrutineers, where many years of experience have proved invaluable, other than in the prudent application of maximum ages commensurate with the task required and allowing younger people to take on more responsibilities. Members of this Group, following the conclusion of their active service, may be invited to become 'Officiel d'Honneur'.

28.3.3. They will be entitled to various privileges and it is expected that their advice will be called upon to make optimum use of their wealth of experience.

Training

28.4. The MSA has established formal training schemes for those wishing to become Licensed Technical Officials (including Environmental Scrutineers).

28.4.1. Prospective trainees (who must be over 16), and Licensed Technical Officials wishing to become Eligibility Scrutineers, should contact the Technical Department at the MSA who will identify the most suitable contact to provide one-to-one training and instruction and make the arrangements for the following twelve months' training period.

28.4.2. It is a requirement that all Scrutineers attend two out of three annual Seminars to maintain their appointment.

28.4.3. All Appointments are reviewed annually by the MSA.

28.4.4. The MSA may reduce the minimum requirements dependent upon the number of meetings attended, qualifications, suitability, aptitude and geographical location.

28.4.5. If a Scrutineer does not undertake the duties associated with their grade or fails to maintain the required standard, they may not necessarily be reappointed to the same grade the following year.

28.4.6. For Kart Scrutineers requiring signatures for Chief Scrutineer status, signatures must be provided by the MSA Steward of the meeting.

Upgrading and Maintenance

28.5. Candidates for Scrutineer grade will be appointed from Trainee Scrutineers.

28.5.1. Candidates will be required to submit to the MSA with their application completed training modules and a CV, and letters of recommendation from Licensed Scrutineers including a Chief Scrutineer.

28.5.2. The outline requirements for further upgrading are shown in the Organisation Chart at the end of this section; full details are available from the MSA.

28.5.3. At every stage of the upgrading process, an important requirement will be the recommendations of at least two Scrutineers (one of whom must be a Chief Scrutineer) who will have been building up data on attendances, performance, potential, commitment, preferences and suitability for the various categories.

28.5.4. All appointments are reviewed annually.

28.5.5. It is a requirement that all Scrutineers attend two out of three annual Seminars to maintain their appointment.

28.6.

28.6.1. Trainee Scrutineer to Scrutineer

Applications must be 18 or over and their application must include the following:

28.6.2. Scrutineer to National Scrutineer

- a) Applications for upgrading must be made in writing directly to the MSA Technical Department.
- b) Applicants must have acted as Scrutineer at a minimum of twenty meetings and held a full Scrutineer licence for a minimum of 24 months.
- c) The relevant training module booklet must be completed.
- d) Applicants must be assessed in person at two events by two different Assessor Scrutineers appointed by the MSA Technical Department.

28.6.4. International Scrutineer/Environmental Inspector/Technical Commissioner/Assessor Scrutineer

These grades are by appointment of the MSA Appointments Panel only. Applications for these grades should be submitted in the first instance to the Technical Department at the MSA.

28.7. The total costs for the provision of Technical Officials is a matter for negotiation and prior agreement between the Organising Club and the Chief Scrutineer or Official in charge of the technical team.

For guidance only, the Technical Advisory Panel has recommended a maximum daily expense rate of £40 and 45 pence per mile for travel.

Officials are reminded of their obligation to disclose fees earned from motor sports activities to the HMRC and to account for tax where necessary. Advice on any potential tax liabilities should be available from their local tax office. The specific reimbursement of actual costs should not create a tax liability and individuals falling solely within this category and not receiving any fees need not report them on their annual tax return.

Timekeepers

Appointments (6)

29.1. Timekeepers are appointed and licensed annually by the MSA, and are subdivided into groups according to their specialisation, ability and experience.

29.1.1. Timekeepers must be of a suitable age and physically capable of meeting the requirements of their grade.

29.2.2. Newly appointed Timekeepers will be required to commence at an Assistant or Trainee grade, but a higher grade appointment may be given to suitably qualified applicants at the discretion of the Timekeeper Training Panel.

Requisite Qualifications

29.3.2. Timekeepers should have no connection with any particular trader's or manufacturer's business that might benefit in a direct or indirect way from the result of the Competition.

Training

29.4. For persons with no previous experience or recommendation, their application should be forwarded to the MSA who will arrange with the Timekeeper Training Panel to organise a training programme with a suitable mentor in their chosen specialisation. Each trainee will be provided with a Timekeeper Training Log Book.

Upgrading

29.5. Subject to prior arrangement with the Chief Timekeeper of an event, new Timekeepers are encouraged to attend, observe and assist at all types of event with a view to eventual upgrading.

The total costs for the provision of timekeeping services is a matter for negotiation and prior agreement between the Organising Club and the Chief Timekeeper or Official in charge of the timekeeping team. For guidance only, the Timekeeping Advisory Panel has recommended a maximum daily expense rate of £40 and 45 pence a mile for travel. Officials are reminded of their obligation to disclose fees earned from motor sports activities to the Inland Revenue and to account for tax where necessary.

Advice on any potential tax liabilities should be available from their local tax office. The specific reimbursement of actual costs should not create a tax liability and individuals falling solely within this category and not receiving any fees need not report them on their annual tax return.

Marshals' and Officials' Training

30.1. Each year the MSA organises around 100 training days targeted at its range of licensed and volunteer Officials which in total attract over 5,000 participants. In addition, other specialist training is undertaken according to need at National, Regional and local level.

30.1.2. Specialist training days are delivered by MSA staff and Specialist Committee members.

30.1.3. A network of over 100 MSA Training Instructors – all trained to a common standard by the MSA – delivers the majority of Marshal Training Days.

Training Day Organisation

30.2. Clubs or Associations intending to run training days are advised to make contact with the MSA for advice and guidance. Training which conforms to certain MSA criteria may qualify for grant aid assistance.

National Marshals Register

30.3. The MSA administers a National Marshals Register, from basic entry level through defined upgrading pathways to senior Official. Details of the scheme rules are circulated to all those registered and are available on request from the MSA.

Stewards

31.1. Stewards of a Meeting must not in any way be responsible for its organisation and must not have any executive duty in connection with the meeting.

31.1.1. In the discharge of their duties they must not incur any responsibility except to the MSA.

31.1.2. In a meeting comprising several events there may be different Stewards of the Meeting for each event.

31.1.3. When the MSA has appointed one or more of the Stewards of the Meeting, the Steward appointed as the Senior Steward will act as Chairman of the Stewards of the Meeting.
