Introduction

2.1. The Motor Sports Association (MSA) has been empowered by the Federation Internationale De L'Automobile (FIA) to register and licence British citizens wishing to compete nationally under the MSA's Motor Sports Regulations and/or internationally under the FIA's International Sporting Code. Under certain circumstances citizens of other countries may also apply for registration. Registration will be effected by the issue of a Competition Licence of a type applicable to the motor sports discipline and the status, National or International, in which the applicant wishes to compete. Subject to certain conditions a status of licence may be upgraded at any time during the year. Registration shall expire at the end of the year shown on the Competition Licence. Any person from 6 years of age wishing to register must complete a Competition Licence application form. All applicants will be required to complete a medical self declaration. Applicants applying for a Car, Truck or Long Circuit Kart Racing, and all International grades of licence will be required to pass a medical examination (10). The following regulations contain all terms and conditions of registration and licence issue.

Competitor Registration

3.1.1. Registration will be effected by the issuing of a Competition Licence by the MSA. Such issue shall be conditional upon the applicant's credentials satisfying

the MSA. At all times the MSA reserves the right to refuse to issue a Competition Licence. The reason(s) for any such refusal shall be stated.

3.1.2. Any Competition Licence issued will remain the property of the MSA which reserves the right to withdraw or suspend at any time. The reason(s) for any such withdrawal or suspension shall be stated.

3.1.3. A Competition Licence granted by the MSA does not constitute a certificate of the competency of the holder.

3.1.4. Competition Licence – Period and Validity

- Unless otherwise rendered invalid, all licences, for the purposes of acquaintance and submission to these rules, run from the 1st January to the end of the calendar year shown on the licence.
- To be valid, a Competition Licence must be signed in ink and, except for an Entrant's Licence issued in the name of a firm or organisation, must bear a passport type photograph of the holder, being a current likeness.

Competition Licence – Types

3.2. The types of licence available are Race, Kart, Speed, Off-Road, Drag, Stage Rally, Cross Country, Non-Race and Entrant.

Competition Licence – Grades

3.3. The grade of licences available are (highest first) International, National 'A', National 'B', and Clubman.

Assumed Name

4. If registration and a licence is requested under an assumed name or a pseudonym, special application should be made at the time of applying for registration. The MSA may, if it thinks fit, issue a licence in such a name. Any assumed name must not be likely to deceive or offend. A person granted a licence in an assumed name shall not take part in any competition except under the name shown on such licence.

Address and Nationality

5. The MSA shall be entitled to register and issue licences to:

- A British citizen, including a citizen of any part of the territory of the MSA.
- A citizen of any other country represented on the FIA providing they can provide proof to their parent ASN that they are permanently resident within the UK and that their ASN has given its prior permission and has recovered any licence originally issued. ASN authorisation is required for each licensing year.

Acts Prejudicial to Motor Sport

6. A competition licence holder who does anything to bring motor sport into disrepute or commits an act prejudicial to the interest of motor sport generally may face disciplinary action (C.1.1.4).

Minimum Ages

7. In all cases where the applicant is under 18 years of age it is necessary that the application is counter-signed by the Parent or Guardian. Proof of guardianship may be required.

- Please refer to Chart 7 Appendix 1 after this section to assess eligibility.

7.1. A Competitor shall not take time off school to participate in motorsport without the prior written approval of their school.

How to Apply for a Competition Licence

8.1. With the exception of first time applicants for a Race, Kart or Stage Rally licence all applicants should read these notes and complete an Application for Competition Licence Form provided by the MSA. Any changes to the wording on the official form will make it null and void. After having completed all the relevant sections of the application form, an applicant must send it, with the appropriate fee and a passport type photograph to the MSA. The MSA will use its best endeavours to process and deliver the licence to the applicant within 15 working days of receipt of the application by the MSA. Processing may take longer if we have to check the applicant's health. Therefore, you are recommended to allow for this time before the first event for which the licence is required. Applicants with no health or other problems appertaining to their application may, on payment of an Express Handling Fee, apply for priority handling and the MSA will issue their licences within 3 working days. For applicants paying the additional Express Handling fee arrangements may be made, upon request, to confirm to organisers that they are a licence holder, this will usually include the waiver of the non-production of a licence fee (22.1). To speed the process please clearly mark the envelope 'EXPRESS' and this should preferably be sent by Recorded Delivery.

If an applicant doesn't receive the licence, after allowing for the processing and delivery time, the MSA should be notified in writing. If the notice is received by the MSA within 6 weeks of despatch of the licence by the MSA, it will issue a duplicate.

After 6 weeks have elapsed, the normal duplicate licence charge will be levied in accordance with Part 3, Appendix 1.

Race Licences

8.2.1. A competitor making an application for the first time for a Race licence must obtain a novice race driver 'Go Racing Driver Pack', which contains the required application form, from the MSA and then complete an approved course at a school registered with the Association of Racing Drivers' School (ARDS). The procedure to be followed is contained in the 'Pack'.

Competitors who have reached their 14th Birthday may apply for a Race National B Licence to allow them to race only in Junior Race Formulae specifically authorised by the MSA. The Licence application must be endorsed and submitted to the MSA by a Junior Race Championship Organising Club. This Licence will state 'Junior Race Formulae Only' and will be held by the Championship Organising Club(s).

Medical Declarations and Records

9.1. Medical Declaration – All Applicants

There are certain medical conditions as detailed in 10.1.9, which are incompatible with the practise of motor sports at any status of event. All applicants 18

years of age and over are required to complete an annual medical self declaration as to their medical fitness to compete in motor sports competition. If an applicant has not had a recent medical examination and eyesight test or they do not understand any part of the medical requirements set out hereunder they are strongly recommended to have an examination or eye test. At all times any decision as to fitness or unfitness to compete shall ultimately reside entirely with the MSA.

9.2. Access to Records

Access to Medical Reports Act 1988/Access to Personal Files and Medical Reports (Northern Ireland) Order 1991 ("the Acts")/Access to Health Records and Reports Act 1993 (Isle of Man).

Before we can apply for a medical report from a doctor who has cared for you, we need your consent by signing the Declaration in Section 5 of the application. Before doing so, however, you should read this notice carefully, as it sets out your rights under the Acts and the procedures for dealing with reports.

9.2.1. You do not have to give your consent but, if you do, you can say whether you wish to see the report before it is sent to the MSA's Medical Consultant. If you do not give consent, we will be unable to proceed with your application for a Competition Licence.

9.2.2. If you say you wish to see the report, we will write to your doctor and advise you that we have done so, and we will tell your doctor you wish to see the report. You will then have 21 days to contact the doctor about arrangements for you to see the report. Of course, the quicker you act, the quicker your application for a Competition Licence can be considered.

9.2.3. If you say you do not wish to see the report, we do not have to notify you if we apply for one. However, if before such a report is sent to us, you write to the doctor saying you wish to see it, you will then have 21 days to contact the doctor about arrangements for you to see the report.

9.2.4. Whether or not you say you wish to see the report before it is sent to us, the doctor must let you see a copy for up to six months after it is supplied, if you ask.

9.2.5. If you ask the doctor for a copy of the report, he can charge you a reasonable fee to cover his costs.

9.2.6. If you see a report before it is sent to us, the doctor cannot submit it until he has your consent. You can write to the doctor, asking him to amend any part of the report which you consider to be incorrect or misleading, and have attached to the report a statement of your views on any part where you and the doctor are not in agreement.

9.2.7. The doctor is not obliged to let you see any part of a report if, in his opinion, that would be likely to cause serious harm to your physical or mental health or that of others, or would indicate the doctor's intentions towards you, or if disclosure would be likely to reveal information relating to, or the identity of someone else who has supplied information about you, unless that person has consented or the information relates to, or has been supplied by, a health professional involved in caring for you. In such cases, the doctor must notify you and you will be limited to seeing any remaining part of the report. If it is the whole report, which is affected, he must not send it to us unless you give your consent.

Medical Declaration – Car, Truck or Long Circuit Kart Racing and all International Licence Applicants

10.1.1. An applicant 18 years of age or over applying for a Car, Truck, or Long Circuit Kart Racing Competition Licence must pass a Medical Examination by their General Practitioner (GP) before applying for their first licence following their 18th birthday.

Thereafter they will be required to complete an annual medical self declaration until the age of 45. Applicants 45 years of age and over must undergo and pass an annual medical examination. The Competition Licence must be issued within 3 months of the date of the medical after which time the report will need to be revaluated by the examining GP. For International licence requirements for those 45 years and over, refer to 11.

10.1.2. All applicants for an International Competition Licence must pass a Medical Examination by their GP every year. International Competition Licences incorporate a FIA Medical Certificate of Aptitude, and every 2 years for applicants under 45 a 12-lead electrocardiogram. For an International Rally both driver and co-driver of the car are required by the FIA to hold a full International Rally Driver's licence.

10.1.3. No Car, Truck, Long Circuit Kart Racing or International licence will be issued until the Medical Examination Report, if required, has been completed, endorsed and signed by the applicant's GP.

10.1.4. In the event of any uncertainty as to whether or not the applicant satisfies the Medical requirements, the examination form should be signed by the GP and should then be sent directly to the MSA's Medical Section Administrator, with any additional information which may be of assistance.

10.1.5. Any fee charged for the medical examination is the responsibility of the applicant. This also applies to any additional reports and Specialist examinations requested by the MSA in connection with an application for a Competition Licence.

10.1.6. The medical examination should be carried out to a standard similar to that required for Life Insurance but with specific attention to the following:

10.1.7. Diabetics requiring treatment with insulin will not normally be issued with a licence valid for Racing, Karting, Kart Clubman, Rallycross, Stage Rallying or International Rallying. In certain circumstances the Medical Consultant at the MSA will be prepared to consider applications in writing by Insulin controlled Diabetics. Each applicant would need to present themselves to a Diabetics Specialist recommended by the MSA and any costs incurred would be borne by the applicant.

10.1.8. Epilepsy is incompatible with fitness to Race, Kart, Kart Endurance, Kart Tyro, Kart Bambino, Rallycross or Stage Rally. If a person with epilepsy has not had a seizure or medication to prevent or control fits for a period of ten years they may present that case to the MSA's Medical Consultant for consideration. For other events a person with epilepsy may be considered for a competition licence providing they can show that they have not had a fit for five years whether on or off medication.

10.1.9. The following medical conditions may prevent the granting of a Competition Licence:

- (a) Myocardial infarction.
- (b) Myocardial ischaemia.

(H) Competitors: Licences

Applicants for International Licences please refer to FIA Standards, www.fia.com (Appendix L).

- (a) Minimum corrected visual acuity must be 6/6 with both eyes open.
- (b) Minimum binocular field should measure at least 120 degrees along the horizontal meridian with no defects within the central 20 degrees.
- (c) Spectacles should be fitted with shatterproof lenses. Contact lenses if worn should be certified as satisfactory for motor sport by the ophthalmic specialist who supplied them.
- (d) A person who suddenly loses sight in one eye will not be allowed to hold a licence until five years has lapsed.
- (e) Double vision is not compatible with the issue of a Competition Licence.
- (f) **Normal colour vision; method of analysis used should be a pass of the Ishihara test (24 plate version) with the first 15 plates, presented in random order, being identified without error. In the case of any anomaly, recourse is to the Farnsworth test "Panel D15" or to an analogous system as approved by the MSA. In any event, as well as passing such tests as referred to above, there must be no risk of any errors in the perception of the colours of flags or any light boxes (LED or otherwise) used in competitions.**

General

10.2.

- (a) It is strongly recommended that all competitors should be immunised against tetanus.
- (b) It is recommended that asthmatics should wear an identity tag (i.e. bracelet or necklace) declaring that they are asthmatic and that they should inform the event's Chief Medical Officer of their condition before competing.

Retention and Downgrading

13.1.1. An applicant may retain his or her licence if they meet the criteria set out below. If an applicant for whatever reason does not qualify to retain their current licence grade they will be automatically downgraded according to these regulations.

13.1.2. Upon renewal an applicant may voluntarily take out a licence of lesser grade than that to which they are entitled.

13.1.3. Upon receipt of a written request, an existing licence holder who wishes to exchange their licence for one of lesser grade may do so but only once during the year.

13.1.4. The charge for so doing will be the payment of the downgrade fee as per Part 3, Appendix 1 and forfeit of the cost difference (if any) between the two licences. Any subsequent upgrade will be charged in accordance with Part 3, Appendix 1.

Upgrading Procedure

13.2.1. Competitors wishing to collect signatures for upgrading their competition licence must use the Upgrade Card. For the Upgrade Card to be valid it must be signed in ink and must bear a passport type photograph of the holder, which must be permanently fixed to the Upgrade Card in the space provided.

13.2.2. If you want to upgrade your licence on renewal and you have met the Upgrading criteria detailed in this section, please forward your completed 2018 Competition Licence Application Form together with the appropriate licences and/or Upgrade Card containing the signatures and the required payment to the Licence Section.

13.2.3. If you want to upgrade your licence and you are already in possession of a current 2018 Competition Licence, please detach and complete the white licence amendment card contained in the Year Book and forward it, together with your 2018 Competition Licence and any other appropriate licences and/or Upgrade Card containing the necessary signatures with the required payment to the Licence Section. The payment is calculated as the difference between the cost of the existing licence and the new licence plus the upgrading fee as detailed in Appendix 1. A request for an upgrading signature has to be made to the organisers, and if the results of the event show that the driver's performance was satisfactory, his/her Upgrade Card will be signed by the Clerk of the Course in the space provided. In the case of Kart Races, only the MSA Steward of the Meeting is empowered to sign and only one signature per meeting is permitted, (Kart Endurance, Kart Tyro or Bambino Kart signatures are not accepted to upgrade a Kart Race Licence). A maximum of two signatures may be obtained at a car race or Long Circuit Kart meeting. In exceptional circumstances only, documentary evidence, such as printed official results sheets may be considered as proof of performance for upgrading. Results which predate the competitors last upgrade will only be accepted where the total number of results obtained is sufficient to meet the upgrade criteria from the basic competition licence for that discipline to that being sought.

27.1.8. *The Parent or Guardian must attend the event with the Minor, and sign-on as his Entrant.

*(In addition please note the above is subject to the requirements of S.7.1.7 and U.14.1.5.)

27.1.9. A discipline may require the Parent or Guardian to be the holder of a PG Entrant's Licence, where this required the following will apply:

- (a) A Competition Licence Application form must be countersigned by the Competitor's Parent or Guardian. The Competitor's Parent or Guardian must hold a PG Entrant's Licence.
- (b) The PG Entrant's Licence Application must accompany the Competition Licence Application form when it is submitted to the MSA.
- (c) At an event a competitor must be accompanied by the holder of a PG Entrant's Licence who must sign on as the Entrant of that competitor. When the holder of the PG Entrant's Licence is unable to be present they may appoint in writing an Entrant's Representative to act as their agent for all purposes under these Regulations.

However the holder of the PG Entrant's Licence will remain fully liable and responsible under the Regulations, as principal, as if they had accompanied the Competitor. The Entrants Representative must be in possession of the PG Entrant's Licence (22.1.2).

- (d) The Entrant (who signs on at the Event as the Entrant) of the Competitor will be responsible for the conduct of mechanics, helpers, team personnel and any other person associated with that Competitor.
- (e) For National events within the UK a "PG" Entrant's Licence will suffice. For International events a competitor must be accompanied by a Licensed Entrant whose licence must be valid for International events (32).

Advertising

28.1.1. During the period of validity of an event Permit there are no restrictions on advertising on vehicles in the UK except as follows:

28.1.2. The display must not be offensive.

28.1.3. No display should interfere with the easy identification of the vehicle's competition number.

28.1.4. No display on a transparent surface can exceed 13cm in depth.

28.1.5. Advertising is prohibited on road rallies except as provided for in R.18.6.1, R.18.6.6 and R.19.8.

28.1.6. Tobacco related advertising is prohibited on all competing vehicles, their support vehicles and any other form of equipment directly connected with an entrant or competitor. As an exception to this any car which can be proved by way of its history, through its chassis number via the FIA or MSA Historic Vehicle Identity Form (HVIF), to have run in a particular livery will be allowed to continue to display that livery in the same colours and original size of logos.

Event Advertising

29.1.1. The competitor must make available to the organiser a specified area of 645 sq cm on each side of the car, adjacent to the space allocated for the vehicle's competition number, and clearly visible, on which the organiser may specify the event, its sponsor or the course on which it is being run. Normally, this will be above or below the number background.

29.1.2. The competitor taking part in an event of a championship series must also make available a specified area of 645 sq cm on each side of the car on which the organiser may specify the championship and its sponsor (if that sponsor is different from the sponsor of the individual event) so long as the competitor is required to display only the title of the championship.

29.1.3. Failure to display the appropriate sticker may result in loss of Championship points.

Entries

30.1.1. Individual entries for an event must be made in writing on an appropriate entry form (D.4.3 and D.4.5) before the specified closing date of entries.

30.1.2. Acceptance of entries shall be at the discretion of the organisers, whether or not the number of entries submitted exceeds the maximum number to be accepted in the competition (D.14).

30.1.3. The organisers may at their discretion:

- (a) Select entries as they wish.
- (b) Refuse any entry. No event or championship organiser shall have the right to refuse an entry on unreasonable grounds and competitors may appeal to the MSC if they feel the grounds are unreasonable (C6.3.2, C6.3.3).
- (c) Refund any entry fee or excuse a competitor payment of any entry fee.
- (d)* Publicise in the SRs the method by which entries are to be selected.
- (e)* Furthermore, the organisers may require accepted entries to comply with some specific conditions prior to being permitted to start, but only provided such a condition is stated in the SRs.
- (f)* Abandon, cancel or postpone the competition or any class therein should insufficient entries be received, provided that a minimum number of entries is specified in the SRs.
- (g) Amalgamate existing classes or create additional classes should the type and size of entry appear to warrant such action, provided that the intention so to act is notified in writing to all competitors affected, not later than the closing date for entries.
- (h) Permit the nomination of drivers to be delayed up to the time of issuing the official list of competitors.

31.1.1. The organisers shall, within seven days of receipt of an entry, or within two days of the closing date for entries, whichever is the earlier, notify an entrant that his entry is:

- (a) Accepted, or
- (b) Refused, or
- (c) Placed on a list of reserves and the position on that list, or
- (d) Held in abeyance for further consideration.
- (e) Furthermore, in the case of an entrant notified that his entry is classified under (d), he shall be notified within two days of the closing date of entries as to the final classification of his entry.
- (f) An entrant shall be free to withdraw an entry to which 30.1.3(g), (c) or (d) relates provided the organisers are so informed in writing within three days of the entrant being notified.
- (g) When an organiser is accepting entries up to one hour before a competition (as permitted by D.20), he must notify all accepted entries, not less than three days before the event, if there is any likelihood of the event being cancelled because of lack of entries.

31.1.2. Refund of Entry Fees. An entrant shall have the right of a refund of the entry fee only if:

- (a) The event is cancelled, or postponed for more than 12 hours, unless the SRs have provided for a specified part to be retained towards administrative expenses.
- (b) An otherwise eligible reserve entry is not permitted to take part in the event.
- (c) An entry is withdrawn as provided by 31.1.1(f).
- (d) An entry is refused.
- (e) Provision is made in the SRs for full or partial refund to a competitor notifying the organisers IN WRITING prior to a specified date, that he wishes to withdraw his entry.

Entrants' Responsibilities (1, 29)

32.1.1. An entrant shall ensure that:

32.1.2. Only the nominated car is used throughout the event.

32.1.3. Only the nominated driver(s) drive that car.

32.1.4. Only nominated persons are carried in that car.

32.1.5. An entrant shall, before the event, satisfy himself as to the eligibility and safety of the vehicle and safety equipment and the competence of its driver.

32.1.6. An entrant shall furthermore ensure that a vehicle is maintained in an eligible and safe condition throughout the event or meeting.

32.1.7. The act of presenting a vehicle and safety equipment for official scrutiny shall be deemed a declaration of its fitness and eligibility for the event and an acceptance of the consequences of such a declaration not being valid.

32.1.8. Vehicles shall comply with the MSA Technical Regulations and any appropriate Approved Formulae Regulations.

32.1.9. There shall be no requirement for eligibility of a vehicle additional to the preceding point unless such requirement is stated in the SRs.

32.1.10. The entrant shall be responsible for all acts or omissions on the part of his driver(s), mechanics, passengers, and all other persons assisting in any capacity in connection with his entry, but each of these shall also be responsible for any breach of the Regulations.

32.1.11. Notwithstanding the above, the driver of any vehicle disqualified as a result of the actions of his Entrant, Mechanic, engine or body builder, or any other person assisting in any capacity with his entry, may also be subject to any penalties associated with that exclusion.

32.2.1. Entrants and Drivers Forbidden to Abandon one Event and compete in another.

32.2.2. Any entrant having entered, or any driver having undertaken to drive in any event, who does not take part in that event and takes part in another event on the same day may thereby become liable to the penalty set out in Part 3, Appendix 1.

32.2.3. Provided also that a competitor who has been notified that his entry has been accepted conditionally or that a decision has been deferred may enter for another event on the same day on condition that if his entry for the second event is accepted he shall forthwith notify the first organising club.

Competitors' Responsibilities

33.1.1. All Entrants, Drivers, Navigators and other passengers must 'sign-on' on a form prescribed by the MSA and undertake to comply with the declarations laid down in D.13 and shall not be allowed to take part in the event until they have produced the necessary documents to prove their eligibility for the event, whether this be by means of an approved Club Membership Card and/or an MSA Competition Licence (or Licence application form completed as in 26.1). In addition to the foregoing if the vehicle is to be used on the Public Highway an appropriate

current valid Road Traffic Act Licence will also be required.

33.1.2. Competitors must present their vehicle, in a clean condition, with any relevant paperwork, for scrutineering at the nominated time prior to taking part in the event.

33.1.3. Competitors must attend any meeting or briefing where this is required by the SRs, by the Clerk of the Course, or by the Stewards of the Meeting.

33.1.4. Competitors and their service/pit assistants must at all times obey the instructions of an authorised official of the meeting.

33.1.5. Competitors and their service/pit assistants must at all times display means of identification (i.e. passes etc.) as provided by the organisers.

33.1.6. Competitors must remain available at an event until any protest period relating to their event or appeal period in any matter in which they are involved has elapsed, failing which, any judicial action against or relating to that competitor may be heard in their absence (C6.3, C7.1.5).

33.1.7. Any competitor knowingly injuring a marshal, an official or spectator during an event must:

- (a) Ensure that adequate help is available.
- (b) Report the incident to a Senior Official as soon as possible.
- (c) Report personally to the Clerk of the Course, not later than the conclusion of the event, and remain at his disposal until released.
- (d) If the incident happened on the Public Highway, competitors are reminded of their obligations under the RTA.

Foreign Events

34.1.1. A competition licence holder proposing to compete in an event outside the European Union is required by FIA Rules to ensure that the event is inscribed on the FIA International Calendar. International Competition Licences issued by the MSA constitute an authorisation 'Visa' and allow eligible holders to compete abroad on such events. (See 26.2.1.)

34.1.2. Only competitors classified as finishers and who have produced the appropriate documents to prove their eligibility for a competition will be eligible for an award or an individual position in the results unless the SRs specify otherwise.

Results and Awards

35.1.1. Any award which is not specifically offered to a person other than the entrant will be given to the entrant.

35.1.2. Where eligibility for an award depends upon club membership this will be determined by means of the club membership claimed on the entry form. Details of the club must be printed in the programme. No competitor may compete for more than one such award.

35.1.3. No competitor may be a member of more than one team competing for the same award unless the SRs specify otherwise.

35.1.4. A 'novice' will be a driver who has not previously won an award in a competition of similar or higher status and type unless the SRs specify other conditions.

35.1.5. The results of a competition will be 'Provisional' until all vehicles subject to Post-Event Scrutiny have been examined and a report submitted to the Clerk of the Course, all official enquiries by the Clerk of the Course and/or Race Director completed and every competitor has had an opportunity to protest and/or appeal in accordance with the Regulations, and such protest or appeal has been duly heard.

35.1.6. If no valid protest or appeal is received within the time limits specified in C.5.2, the results shall become Final and may not be changed subject only to the powers held by the MSA.

35.1.7. If the Provisional Results are amended for any reason, fresh Provisional Results must be published and these become subject to protest or appeal in accordance with the preceding point.

35.1.8. If printed results sheets are available to all competitors on the day, copies of these results need not be posted to entrants. Any alteration to the Provisional Results must be notified to all entrants.

Advertisement of Results of Competition

36.1.1. Any competitor or other persons or body advertising the results of a competition shall state the exact conditions of the performance referred to, the nature of the competition, the category, class, etc., of the vehicle, and the position and result obtained, and such additional information as the MSA may require.

36.1.2. The publication of an advertisement, relating to the results of a competition drawn up in a way calculated to mislead the public, or the infraction of this Rule whether by way of omission from or addition to the particulars required to be stated or otherwise, shall render the person or body by whose authority or on whose behalf the advertisement is published or issued liable to the penalties provided by these Rules, and may entail the infliction of a penalty on the person responsible for drawing up the advertisement.

Successful Prosecution (D.25.1.15)

37.1.1. Any competitor who is successfully prosecuted as a result of his conduct in connection with a motor vehicle whilst taking part in an event may, at the discretion of the Stewards of the Meeting, subsequently be disqualified from the results of that event and be required to forfeit or return any award. Details of any successful prosecution known to the organising club shall be passed to the MSA, who will endorse his licence record and may disqualify the person concerned from competing in other events.

Insurance

38.1.1. In respect of any event or part of an event held anywhere other than on a publicly adopted road, under a Permit issued by the MSA, competitors will be insured in respect of third party legal liability by the MSA Master Policy.

38.1.2. Competitors are not insured under this policy in respect of legal liability to other competitors.

38.1.3. It is the competitor's responsibility to ensure that he is properly insured, as required by the Law, whilst on publicly adopted roads.

38.1.4. Further details of Insurance are given in Part 3, Appendix 2.

38.1.5. The competitor shall comply with the terms of the master insurance policies effected by the MSA, the principle terms of which are summarised in Part 3, Appendix 2.

Procedure for Control of Drugs and Alcohol (D35.1)

Anti-Doping Regulations

39. The MSA has adopted the UK Anti-Doping rules published by UK Anti-Doping (or its successor) as amended from time to time. Such rules shall take effect and be construed as Regulations of the MSA. The UK Anti-Doping Rules are available at www.ukad.org.uk and the WADA Prohibited List is available at www.wada-ama.org or from the MSA on request. It is the responsibility of each licence holder to ensure that they are fully familiar with the UK Anti-Doping Rules and the WADA Prohibited List. MOTOR SPORTS ASSOCIATION U18 POLICY

As the governing body of UK motor sport, the Motor Sports Association is committed to ensuring the welfare, development and education of young participants in motor sport.

Education

- The MSA believes that all young participants (and their parents) should understand the importance of maintaining their education alongside motor sport activities, particularly those students who are legally obliged by their age to continue in full-time education.
- The MSA believes that time taken out of school for the purposes of motor sport activities should be kept to a minimum.
- The MSA believes that the educational development of a young person should always take precedence over motor sport activity.
- The MSA will work with championships and events to avoid potential conflict with educational commitments wherever possible.

Child Safeguarding

- The MSA has an obligation to ensure that MSA licensed coaches, instructors and officials provide the highest possible standards of care when given responsibility for young people.
- The MSA provides a Child Safeguarding Policy which includes details on the recruitment, selection, suitability and deployment of individuals working with young people in motor sport.
- The MSA's Child Safeguarding Policy details who will require a current Disclosure and Barring Service (DBS) check at Enhanced Level.
- The MSA has contracted GBGroup to undertake the DBS checking process on its behalf.

Anti-doping

- The MSA believes in the right of competitors to participate in doping-free sport and has adopted the UK Anti-Doping and FIA's Anti-Doping Protocols.
- The MSA believes that all licence holders should be aware of the anti-doping commitments they make when signing their licence application form.
- The MSA recognises that Anti-Doping legislation may be difficult for competitors to comprehend and is therefore able to supply licensed competitors with a simplified guide to Anti-Doping legislation.
- MSA Coaches regularly deliver Anti-Doping workshops to competitors in a range of championships.

Go Motorsport

- The MSA is committed to attracting new people to motor sport through the Go Motorsport campaign.
- The MSA has appointed Regional Development Officers (RDOs) to work with clubs and organisations and to spread the motor sport message through presentations to schools and colleges.
- RDOs are also tasked with working with MSA Clubs to assist their development activities
- The MSA does not charge competitors under 16 years of age for their first MSA competition licence.

Official designation

The MSA will designate as 'U18-compliant' those clubs, championships and events that commit to uphold the principles outlined in this MSA U18 Policy.
