Re: 2019 RACE CHAMPIONSHIPS

Notices of Intent to run a Race Championship in 2019 are due by 1st July 2018 and please find enclosed Application Forms along with the Conditions for the issue of a Car Championship as published in Section W – Championships of the 2018 Yearbook.

I would like to take this opportunity to remind you again of General Regulation W1.3.1, specifically the extracted segment copied below:

“ Any Notice of Intent received on or after 1st January will be refused. Any major changes in a Championship must be notified to Motorsport UK with the Notice of Intent. The Motor Racing Championship Control Panel will discuss and may recommend outline consent for those Championships submitted and may delegate to a Working Group any unresolved queries...”

In compliance with Section W, you must return your Notices of Intent, marked for my attention along with a list of the numbers of starts at each Round held in 2017/2018 and therefore please ensure that you complete the reverse of your Notice of Intent Application Form.

For your convenience the Notice of Intent Application and the summary sheet of starters have been uploaded to the Motorsport UK website (motorsportuk.org) and are available for electronic completion as a combined document, within Resource Centre/Championships. Should you wish to use this method, please print the completed application and sign it before submission.

If you require anything further please direct your enquiries to either of my colleagues Andrea Duncan or Safeena Khan who will be pleased to assist you.

Kind regards,

CHERYL LYNCH
