

9th August 2019
CL/5201 / Brit. Hill Climb ITT / Supplement 1

**INVITATION TO TENDER FOR THE PROMOTION AND ORGANISATION OF:
THE MOTORSPORT UK BRITISH HILL CLIMB & HILL CLIMB LEADERS CHAMPIONSHIPS**

Further to the release of the British Hill Climb Championship tender Motorsport UK has received the following enquiry in relation to the ITT:

Enquiry:

“the short timescale to submit a very comprehensive tender. Producing a Business Plan, Environmental Policy for the Championship, Economic Impact Assessment, Marketing Plan, Partnership Proposals and all the other information you have requested is a significant ask.

We are keen to submit a tender but with limited resources and large events taking place each weekend during August, it would be impossible for us to meet such a short deadline. I would imagine this will be the case for many other organisations that may be interested to submit a tender as well.

I therefore wanted to enquire whether it would be possible to extend the tender submission deadline date.”

Response:

2.1 Tenders must be received as an original, duly signed and dated, by an authorised signatory of the Tenderer (including name and title of signatory in block capital letters) and with three copies in a closed and sealed envelope/package addressed to Sheila Barter, Executive Office Services Manager, Motorsport UK House, Riverside Park, Colnbrook, SL3 0HG no later than 12 noon on ~~16th August~~ **6th September** 2019 (“the Closing Date”).

Motorsport UK having appreciated the concerns arising in the August motorsport holiday period has agreed to extend the submission deadline as detailed in Article 2.1. of the ITT to 12 noon on 6th September 2019.

Yours sincerely
