### Section R

#### Existing Regulation

**16.1.3.** Only the following information may be issued to a competitor before their due start time;

Rejoin Points, Main Time Controls, Blackspots and the location of the Finish.

**7.2.8.** Competitors are strongly recommended to carry a First Aid Kit.

#### Proposed Regulation

**16.1.3.** **With the exception of Novice Crews (as defined in SRs)** Only the following information may be issued to a competitor before their due start time;  
Rejoin Points, Main Time Controls, Blackspots and the location of the Finish.

#### Reason:

The above relaxation allows novice crews to be issued simpler navigation which removes one of the discouraging and daunting aspects for beginners.

Implementation date: 1<sup>st</sup> January 2019

**7.2.8.** Competitors are strongly recommended to carry a First Aid Kit, **high visibility vests or jackets and, where appropriate, a torch.**

#### Reason:

It is good practice to recommend that competitors have high visibility clothing available, and where beneficial a torch.

Implementation date: 1<sup>st</sup> January 2019

PR Chart 3(b)

#### Reason:

This relaxation formalises and extends the level of discretion the RLO has in establishing the appropriate level of PR work to be undertaken by an organiser.

Implementation date: 1<sup>st</sup> January 2019
