

Safety Plan Template – Single-Venue Annex D

The RallyFuture Single Venue Stages

The RallyFuture Single Venue Stage Rally will be held on 01 January 20XX at Riverside Park., Colnbrook, Slough under MSA permit 201754678

The purpose of this safety plan is to:

Insert here, why you feel the safety plan is important and what its purpose is

This plan will be distributed to the following people and agencies (may include Land Owner too)

Insert here a list of who will get the document and whether in hard copy or electronically

What other documents do you have/have you produced which should be read in conjunction with the Safety Plan to show the extent of your planning and preparation for the event and its safety elements.

Insert here a list of other documents such as your operation plans, your Incident Management Plans, any set up tulips as well as mentioning that you comply with the MSA Yearbook

Do you have a Safety Policy – if so, mention it here:

Insert here the policy the event has and takes towards safety

The safety plan should specifically address issues in each of the following areas so make mention of each of these and say what you do about them in general terms linking the sentences to the specific areas that you have covered in your risk assessments.

Safety of the public (including medical/first aid cover);

If you running are a non-spectator event – identify what you will do for the family, friends and mechanics as well as the media

Safety of the competing crews;

Safety of the volunteers at the event
