| C2.3.2. – Gaining an Unfair Advantage | 10 Seconds Penalty or 1 Lap Penalty |
| Gained an unfair advantage – The hearing has determined that you have gained an advantage over another driver(s) by the manner of your driving. You may not have actually made contact, but your position on the track may have unfairly impeded the other driver(s). | C1.1.5. Driving in a manner incompatible with general safety, and/or departing from the standard of a reasonably competent driver. | Disqualification from Race or Disqualification from Meeting (& Referral to Stewards of the Meeting) |
| Aggravated Contact – The hearing has determined that you have driven in a manner that is incompatible with general safety and have caused an incident. It may be that it is considered that you had taken retaliatory action following another incident, although this may not be the case. The penalty reflects the seriousness of the incident and considers that your safety and that of others has been put at risk. The Stewards of the Meeting will hold a further hearing to determine if further action is considered necessary. | |
