

MSA ENVIRONMENTAL AWARD 2018

The MSA Environmental Award was created to recognise outstanding achievement or contribution towards environmental responsibility and the active promotion of sustainability within motor sport.

Previous winners include Anglesey Circuit, Greenpower, Williams Hybrid Power and Rt Hon The Lord Drayson. This year's winner will receive the prestigious trophy during the MSA Night of Champions ceremony at the Royal Automobile Club in London next January.

The deadline for receipt of nominations is 12.00noon on Monday, 15 October. Individuals or organisations can nominate themselves or others.

To make a nomination, please complete the form below and submit it along with a supporting email outlining the nomination's relevant achievements to media@msauk.org with the subject line: MSA Environmental Award 2018.
