C2.3.2. – Gaining an Unfair Advantage	5 Second Penalty or 1 Lap Penalty
Gained an unfair advantage – The hearing has determined that you have gained an advantage over another driver(s) by the manner of your driving. You may not have actually made contact, but your position on the track may have unfairly impeded the other driver(s). The penalty will be determined by the degree of advantage that you have gained, in order that any advantage has been negated, with a 10 second penalty as a minimum.	
C1.1.5. Driving in a manner incompatible with general safety, and/or departing from the standard of a reasonably competent driver.	1 Lap Penalty or Disqualification from Race
The hearing has determined that you have departed from the driving standards expected. It may be that you have actually made contact and that contact has significantly impeded the other driver(s). The level of the penalty will be determined by the Stewards' judgement of the degree of the lapse in your driving standards with a 1 lap penalty as a minimum. Repeated offences will usually result in Disqualification.	
C1.1.5. Driving in a manner incompatible with general safety, and/or departing from the standard of a reasonably competent driver.	Disqualification from Race or Disqualification from Meeting (and Consideration of 30 day Suspension & referral to Motorsport UK)
Aggravated Contact – The hearing has determined that you have driven in a manner that is incompatible with general safety and have caused an incident. It may be that it is considered that you had taken retaliatory action following another incident, although this may not be the case. The penalty reflects the seriousness of the incident and considers that your safety and that of others has been put at risk.	
C1.1.6. Any contravention of Flag or Light Signals (Q.5).	5 Second Penalty
Ignored ¼ Black/Yellow or Yellow Flag or Light Signal – It has been determined that you ignored the instructions issued by the deployment of these signals in that you did not slow down sufficiently or that you overtook another kart(s) during the rolling lap prior to the race start.	
C1.1.6. Any contravention of Flag or Light Signals (Q.5).	10 Second Penalty
Ignored ¼ Black/Yellow or Yellow Flag or Light Signal – It has been determined that you ignored the instructions issued by the deployment of these signals in that you did not slow down sufficiently or that you overtook another kart(s) during the race or timed practice.	
C1.1.6. Any contravention of Flag or Light Signals (Q.5).	Black Flag
Ignored Technical Flag twice – It is determined that you have ignored the Technical Flag. Something has been seen on your kart that could be dangerous to yourself or others or that has rendered your kart ineligible. You should have returned to your pits within one lap.	
C1.1.6. Any contravention of Flag or Light Signals (Q.5).	Disqualification from Race or Disqualification from Meeting
Ignored Black Flag – It is determined that you have ignored the Black Flag more than once. An incident had occurred that lead the Clerk of Course to decide that he required you to stop racing and you should have returned to your pits within one lap and reported to him. The fact that you have passed it at least twice is a serious breach of the regulations.	
C1.1.9. Abusive language or behaviour, physical assault, or threats of physical assault within the area under control of the Organising Club.	Disqualification from Race
Abusive Language, Behaviour or Assault – After a hearing the Stewards have found that there has been an incident involving the use of Abusive Language, Behaviour or Threat of Physical Assault which may have been mild. (This penalty carries Penalty Points.)

C3.1.1. If the Eligibility Judges of Fact agree that the vehicle or component is ineligible, this will be reported to the Clerk of the Course (or the Championship Stewards where the Clerk of the Course has no championship function) who, after giving the parties the opportunity to be heard, will exclude the vehicle from the relevant results unless there are exceptional reasons why this should not be done.	Disqualification from Race or Disqualification from Meeting

U17.5.5 - Intentionally reattaching the front fairing after chequered flag	Disqualification from Meeting and Consideration of Referral to Motorsport UK
