Proposed Regulation

1.2.1. With the exception of Challenge Events, Team and Winch Recovery events, all recovery operations will be under the control of the Clerk of the Course.

Reason: To clarify that winches may be used for self recovery in Challenge Events.

Date of implementation: 1st January 2012

11.4. The Competition For Clubmans events the following is strongly recommended.
National B and higher events must be timed by:
11.4.1. Certified equipment.
11.4.2. Digital clocks to MSA Specification R or E/B.
11.4.3. Recording clocks printing to seconds, or
11.4.4. Automatic apparatus.

Reason: To relax timing requirements and costs for smaller club Competitive Safaris.

Date of implementation: 1st January 2012
24.2.1. At events of National B status and above and all Hill Rallies, Competitive Safaris, Timed Trials, Team Recovery, Point to Point, Challenge Events, and Junior Trials, Drivers must produce a Competition Licence [as detailed in Section H, and Passengers must produce a valid Club Membership Card.

Reason: To remove the requirement for a Competition Licence at Clubmans Junior Trials. Those clubs that run JTVs run 4 events per annum and the cost of the Licence, particularly for larger families does not provide value and is a barrier to competition.

Date of implementation: 1st January 2012
