Section M Autotests

Existing Regulation

10.3. Deleted.

Proposed Regulation

10.3. Passengers under 18 years old will not be considered as Competitors for the purpose of Licences or Club membership, and will not be required to sign on. They will, however, be required to produce a letter of consent from a parent or guardian at signing-on, and this letter must be retained by the Organisers.

Implementation date: Immediate

Reason: The associated changes to the licence structure for 2020 have highlighted a disparity between Autotesting and Trials, otherwise similar entry level club disciplines. The proposed change would remove that disparity and simplify the thresholds for competitors and Club Officials alike without changing the minimum ages for eligibility.
