

**From the National Court**

**MOTOR SPORTS COUNCIL NATIONAL COURT  
SITTING TUESDAY 12 NOVEMBER 2019**

**Nicky Moffitt  
Chris Mount  
David Munro (Chairman)**

**J2019/36 Whilton Mill Kart Club**

The National Court has considered the results published by Whilton Mill Kart Club in relation to a meeting held on 27<sup>th</sup> October 2019.

The paperwork received by Motorsport UK reveals that an incorrect or improper declaration of results occurred following computer problems which existed at the circuit during the event, so that two penalties involving competitors in Races 32 and 33 were not properly calculated and further that a driver was included in the final results for Race 28 when, in fact, they had not finished. The final error was in relation to the results published in respect of a driver who had actually finished in 6<sup>th</sup> place after penalties but had been declared in 19<sup>th</sup> place in Race 31.

Exercising its powers as a Tribunal of Inquiry under GR C9, the Court orders that the revised results submitted to the Court be re-published accordingly.
