

(W) Championships

General

1.1. Motorsport UK defines a Championship as "an event, or series of events, organised for the purpose of establishing the right to an individual or collective title. Such a competition may also be referred to by other titles, e.g. Challenge, Trophy or Series", within the context of this section referred to as "Championship". Where reference to "Series" is made, within this section, is defined in Q3.2.

1.1.1. Commercial Sponsorship is defined as "the provision of, or assistance in the provision of, awards by an organisation other than a recognised Club towards the result of a Championship. The donation of such awards, whether in cash or in kind, is given in consideration of the title or product name connected with the organisation being associated with the promotion of the Championship".

1.1.2. Motorsport UK may also designate as "Commercial" any Championship which it considers as being publicity oriented.

1.1.3. A competitor shall not take time off school to participate in motor sport without the prior written approval of their school.

1.1.4. A Championship must be submitted to Motorsport UK by the co-ordinating organisation on the prescribed form and must be issued with a Championship Permit or Registration before entries are accepted.

1.1.4.1. A Permit and/or facility fee may be charged for such approval.

1.1.4.2. Motorsport UK reserves the right to charge a Promoter's Permit fee.

1.1.4.3. The organisation and control of a Championship or Series shall at all times rest with the Championship Permit holder, subject to these Regulations.

1.1.5. Exceptionally Championships for Autotests, any form of un-timed Trial, Navigational Rallies, 12 Car Rallies, Scatters and Internal Club Challenges (unspecified events on unspecified dates) which are confined to bona fide members of the organising club are exempt from registering with Motorsport UK.

1.1.6. The right to a Championship or Series title resides with the body who originally registered that Championship or Series. However, where a Championship or Series was originally proposed by a commercial body, that body shall have the right to nominate or change the organisers of that Championship or Series, subject to the terms of their contract.

1.1.6.1. Championships bearing the title International, European, British, National or other titles which mean to convey the same impression are normally reserved for Championships promoted by, or on behalf of, Motorsport UK. Organisations wishing to make application for such a Championship or to be associated with such a title, should seek separate approval from Motorsport UK prior to application for a Permit.

If at any time Motorsport UK shall refuse or withdraw a Championship Permit, then any prior approval under this regulation to use, for example International, European or any other title as above shall immediately terminate.

1.1.6.2. Championships bearing the title British and including one or more qualifying rounds of International status events, where those rounds are also rounds of an FIA Championship, must submit their calendars by 31st May in the preceding calendar year for approval by the Motor Sports Council. Championships bearing the title British and comprising International events not being rounds of an FIA Championship and/or national events must submit their calendars by 31st August in the preceding calendar year for approval by the Motor Sports Council.

1.1.6.3. Motorsport UK alone shall be entitled to authorise the broadcasting, transmission, audio/visual recording and moving picture rights of any Motorsport UK Championship event. Prior to any such event the organising club will arrange for the consent of the landowner to be given in order that Motorsport UK may authorise such broadcasting, transmission or audio/visual recordings to take place. For all events held on the public forest estates managed by Natural Resources Wales, Forestry and Land Scotland, and Forestry England, special arrangements exist with Motorsport UK. Further details of these arrangements are available from Motorsport UK.

1.1.6.4. To accrue points or any other form of recognition towards an award or title any organisation, team, company, sponsor or person must be in possession of a valid Entrant's Licence.

1.1.7. The registration of a Championship or Series for a specific class of vehicle does not give the Organiser the right to prevent other Championships or Series for that class of vehicle (subject to the authority of Motorsport UK).

1.1.7.1. Championship and Series Organisers may specify in their Regulations procedures for the gathering of on-board data logging information.

1.1.8. Where a Championship Permit has been issued, Championship Sporting and Technical Regulations may not be amended after publication unless Motorsport UK and all competitors registered for the Championship agree in writing to the alteration. Such amendments must be circulated to all Registered Competitors, Championship Stewards, Eligibility Scrutineer, Clubs organising Rounds of the Championship and to Motorsport UK.

1.1.8.1. Championships exempt from registering with Motorsport UK do not need to comply with 1.1.8 above (1.1.5).

Note: Throughout these sections an asterisk(*) indicates a requirement for additional information to be printed in the Supplementary Regulations (SRs). Text shown in Italics indicate a Regulation which may be amended in the SRs. Text shown in red indicates a new or amended regulation for 2020.

Car Racing Championship

1.3. All Car Racing Championship Permit or Series Registration applications must be submitted by a recognised lead Club – no related discussion between Motorsport UK and an applicant will be entered into without the express agreement of the lead club. Normally only Clubs which have been recognised by Motorsport UK for more than two years are permitted to apply for a Championship Permit. The deadlines for Car Racing Championship applications are as follows:

1st July

1.3.1. Date by which a Notice of Intent to run or continue to run a racing Championship in the following year must be registered with Motorsport UK. For existing Championships, a list of the number of starters at each round held in the year previous to the year of application must also be submitted. With the exception of a Winter Championship run to the same regulations as a current main Championship and which is required to submit its regulations a minimum of 6 weeks prior to the first round, any Notice of Intent received after 1st July will only be considered by the Motor Racing Championship Control Panel in exceptional circumstances, and will be subject to a late submission fee of 100% of the Championship Permit fee. Any Notice of Intent received on or after 1st January of the following year will be refused. Any major changes in a Championship must be notified to Motorsport UK with the Notice of Intent. The Motor Racing Championship Control Panel will discuss and may recommend outline consent for those Championships submitted and may delegate to a Working Group any unresolved queries.

1.3.1.1. Any new Championship or any fundamental change to an existing Championship (such as a new class or classes), conflicting with an existing registered Championship will need to demonstrate to the Motor Racing Championship Control Panel that inclusion of the Championship (or any fundamental change to an existing Championship, as the case may be) will not detrimentally affect the safe, fair or orderly conduct of motor sport.

1.3.1.2. Any applicant dissatisfied with a decision of the Motor Racing Championship Control Panel shall be entitled to request a review, of the decision to be undertaken by the Chairman of the National Court or, in the event that he is not available, someone nominated by him and his decision shall be final. Such a request must be received, by Motorsport UK, within 14 days of written notification of the Control Panels decision, together with the appropriate fee.

1.3.1.3. In respect of all proposed new Grade 'A' and 'B' Race Championship applications a Notice of Intent must be submitted. Any new Championship must have guaranteed support for a minimum of three years.

If the Motor Racing Championship Control Panel agrees, in principle, with the application then Motorsport UK will require a Commitment Deposit to be paid.

1.3.1.3.1. If the Motor Racing Championship Control Panel agrees, in principle, with the application then Motorsport UK will require a Commitment Deposit Guarantee Agreement to be paid executed and delivered in a form satisfactory to Motorsport UK.

1.3.1.3.2. Consistent with W.1.1.6 the Commitment Guarantee Agreement must be executed by the Recognised Club proposing the new Championship and where applicable by the Commercial entity proposing the Championship through that Recognised Club in which case the Commitment Guarantee shall be joint and several.

1.3.1.3.3. The Commitment Guarantee Agreement will mandate that if the Recognised Club fails to seek a Championship Permit renewal by submission of a Notice of Intent and/or making a Permit Application for the second and/or third successive years then the Guarantor(s) must pay a sum as specified in Appendix 1 Article 7.

1.3.1.3.4. The Default Sum shall be paid on demand in writing by Motorsport UK accompanied by taxable invoice.

1.3.1.3.5. All issued and pending Championship Permits of the relevant Recognised Club shall be suspended until the Default Sum has been paid to Motorsport UK or has been provided for to its satisfaction.

1.3.1.3.6. All Default Sums forfeit to Motorsport UK shall be used for the provision of prizes or for training or donation to a Registered Charity nominated by the Board of Motorsport UK.

1.3.1.4. Any Club whose Championship has either ceased to run or has failed to commence will be required to submit a complete new application if approval is sought in any subsequent years.

1.3.1.5. To maintain Championship status, the minimum average number of starters during the previous year in a Grade A, B, C or D Championship should be 16. For Truck Racing Championships the average minimum number of starters should be 12. For Junior Car Race Championships Q3.4.3 applies

1.3.1.5.1. For a Championship failing to meet the minimum numbers:

- (a) in the previous year will be issued with a warning.
- (b) for a second consecutive year the Championship may lose its status including ability to use the term Championship but may run as a Series only with the approval of Motorsport UK

1.3.1.5.2. For the avoidance of doubt 1.3.1.4 applies in the case of any Championship that is subject of 1.3.1.5.1 (b).

1.3.1.6. Provision has been made for a (single) Venue Specific Championship which does not meet the provisions of 1.3.1.5. but this dispensation will be reviewed on an annual basis. A Venue based Championship may visit once during the season an alternate venue, and the Championship Permit Number shall be suffixed with a "V" to differentiate these Championships.

1.3.1.7. Deleted

1.3.1.8. Any mixed discipline Championship in which more than three events are Car Races will also be required to submit a Car Racing Championship Permit Application.

1.3.2. Points Scoring

Unless the particular Championship Regulations specify differently, all Commercial Car Racing Championships must utilise the points system as detailed in paragraph (a) or (b) below. Alternative systems of allocation that are approved must be clearly indicated in the particular Championship Regulations.

- (a) Championships without Classes: points will be awarded at
20 – 15 – 12 – 10 – 8 – 6 – 4 – 3 – 2 – 1.

An additional 2 points will be awarded to each competitor achieving or equalling the race fastest lap, where the race is timed.

- (b) Championships with Classes: points will be awarded in each class as follows:

4 or more eligible starters in the class:
1st – 4; 2nd – 3; 3rd – 2; 4th – 1.

3 eligible starters in the class:
1st – 3; 2nd – 2; 3rd – 1.

2 eligible starters in the class:
1st – 2; 2nd – 1.

1 eligible starter in the class: 1st – 1.

One additional point will be awarded to each competitor achieving or equalling the race fastest lap in each class, where the race is timed.

Points should be awarded on the basis of the final results of each event.

1.3.3. Maximum Scores

Unless the particular Championship regulations specify differently, a competitor's final total of points that he may count toward his position in the Championship will be calculated as follows:

- Where there are up to 10 rounds organised in the Championship, a competitor shall count his results in the total number of events run less one.
- Where there are between 11 and 15 rounds organised in the Championship, a competitor shall count his results in the total number of events run less two.
- Where there are over 15 rounds organised in the Championship, a competitor shall count his results in the total number of events run less three.
- Points scored by a driver in different classes within a Championship will be totalled separately towards his final placing. However, a change of car within a class will not affect a driver's points total.

1.3.4. Resolving Ties

Unless the particular Championship Regulations specify differently, ties will be resolved in the following order:

- By considering in the best scoring events of the competitors concerned, the number of first places or class wins.
- By considering the number of class or outright second places where there are no classes, and so on in the best scoring events.
- By considering the placings in all Championship events.

1.3.5. Competitors may be required to register for a Championship prior to the first event in which they wish to gain points.

1.3.6. Competitors may be required to carry advertising as supplied to publicise the Championship in accordance with H.27.1.2 in order to qualify for points and prize money.
