AIMING FOR A PROFESSIONAL CAREER IN MOTORSPORT?

The Motorsport UK Academy, together with Loughborough College, have developed a **bespoke** two-year sporting excellence and motor vehicle education course designed to support **talented** drivers/co-drivers through both the sporting and academic pathway. Formerly known as the Advanced Apprenticeship in Sporting Excellence (AASE), this **unique** course allows the **flexibility** to follow the education path of your choice within motorsport whilst developing your driving/co-driving skills at the same time. The course is developed from the generic Diploma in Sporting Excellence (DiSE) qualification and combined with Motorsport specific education to create a **wholly exclusive** programme.

These days **just being quick, isn't enough**. If you want to make it to the top of the sport, the leading teams are interested in **intelligent, pro-active drivers and co-drivers** who can communicate on a technical level with their engineers and **understand complex data** that unlocks those last few tenths! This course ensures that your education isn't neglected in pursuit of your driving or co-driving ambition and supports you to become a **better athlete** whilst also providing **academic qualifications**.

An overview of the course is as follows:

The Motorsport Programme

Alongside the content delivered as part of the qualifications, students will also undertake **exclusive workshops** with Motorsport UK Academy coaches and industry experts. For example;

- Psychologist support (including 1:1 sessions)
- Nutritionist (including 1:1 sessions)
- Physiological development and training
- Porsche Human Performance
- Sponsorship education
- 1:1 Academy Coach reviews
- Introduction to coaching
- Communications and media
- Career Management
- Anti-doping
- Performance lifestyle
- iZone, Silverstone - Simulator development
- Individualised support
- Industry specific insight and education

The Academic Programme

Working with the athletes, Loughborough College develop blended study plans to support their learning with **individual tutor guidance**. The programme combines a number of qualification options some of which are listed below:

- L3 Extended Cert in Sporting Excellence & Performance
- L3 Extended Cert in Business
- L3 Extended Cert in Vehicle Technology
- Diploma in Sporting Excellence (DiSE)

Athletes are required to attend Loughborough College twice a month for four days at a time. Away from college, the athletes are required to complete study/placement hours which could be preparing for competition, in competition or be gaining work experience within the industry. Additionally, athletes will be required to attend focused development sessions at key motorsport facilities approximately two days a month.
