Date of meeting:	30 th June 2020
Closing date for consultation:	10 th August 2020
Email for comments:	crosscountryconsultation@motorsportuk.org

Section P Cross Country

Existing Regulation

No Regulation

Proposed Regulation

P13.1. The Final Results must include a statement of the course length.

Implementation date: 1st January 2021

Reason: *Competitive Safaris may be run up to an average speed of 30mph, or 50 mph in the case of Safari Plus with increased safety provisions. To assist with the distinction knowing the length of the course indicates whether an event was a Competitive Safari or a Safari Plus.*
