Proposed Regulation

T10.11. Class 2 vehicles must use cross-ply tyres (which need not be listed in Lists I or II but which must not be of Grip, Town & Country, Dual Purpose or M&S pattern), ~~with the rolling radius to remain as original on vehicles.~~ Class 2 vehicles must also be:
.....

Implementation date: 1st January 2021

Reason: *This relaxation for Class 2 vehicles in Classic Trials provides competitors with Pre 1941 vehicles more choice of available tyres suitable for both the vehicles and the nature of the terrain.*
