Section R Rallying

Existing Regulation

R10.2.4. If timed to less than a minute, Standard Sections must not use any private property, other than Footpaths and Bridleways and Restricted Byways, for which approval has been granted by the landowner and the Highway Authority.

Proposed Regulation

R10.2.4. If timed to less than a minute, Standard Sections must not ~~use any~~ include more than 250m of private property, other than Footpaths and Bridleways and Restricted Byways, for which approval has been granted by the landowner and the Highway Authority where appropriate.

Date of Implementation: 1st January 2021

Reason: Relaxation of regulations to permit the inclusion of short lengths of private property to assist organisers with route choice within the maximum average speed schedules permitted by legislation and to add to the navigational challenge of Road Rallies.
