### Section H (Licences)

#### Current Regulation

(H)8.3.5. \*Anyone who can provide proof of holding a Pro-Racer card (as approved by Motorsport UK) and has obtained eight signatures from qualifying races, a minimum of four of which must be outdoor races. (The 'Starting Karting Pack' is required in this instance and the driver will be required to pass the ARKS written examination.)

#### Proposed Regulation

(H)8.3.5. \*Anyone who can provide proof of ~~holding a Pro-Racer card (as approved by Motorsport UK) and~~ has **having satisfactorily completed** ~~obtained~~ eight ~~signatures from~~ qualifying **kart** races **(as approved by Motorsport UK)**, a minimum of four of which must be outdoor races. (The 'Starting Karting Pack' is required in this instance and the driver will be required to pass the ARKS written examination.)

**Reason:** *The Pro Racer Card has not been used for many years. The amendment will allow Motorsport UK to accept proof of kart races of approved organisations.*

**Implementation: 1 January 2021**
