

# Motorsport UK Recognition of Motor Sports Clubs

## Procedure for Recognition

In order to become recognised by Motorsport UK, a club must have at least 25 members and its rules must have been approved by Motorsport UK. The names and addresses of the members must be supplied with the application. In addition, if your club uses or incorporates the registered trade name of a commercial company e.g. Land Rover, Ford etc., written permission must accompany your application.

Within this information pack, you will find a copy of our Draft Club Rules document which many clubs have found to be suitable for use. You do not have to follow the Draft Rules exactly and in some places, there is provision to vary them; for example, the size of the Committee, but essentially these Draft Rules cover most possible situations. When we look at Club Rules, we are mainly concerned that there are proper arrangements for Annual General Meetings, Committee Elections and Meetings, membership requirements and that the club is being run in a proper fashion.

Motorsport UK, having satisfied itself regarding your Rules, will then announce on the website ([www.motorsportuk.org](http://www.motorsportuk.org)) that you are applying for recognition, giving existing clubs one month to comment. If no objections are received, we will then forward you the Club Registration Form, and when this is returned to us duly completed with the appropriate fee (£82.00 for 2021), we will then send you a Certificate of Registration, plus three copies of the current Motorsport UK Yearbook – you will then be able to apply for permits to run events.

Recognition has to be renewed annually; this must be completed online by the end of November in time for new Yearbooks to be posted to clubs in December. Registration runs from 1st January to the 31st December each year.

All new clubs are required to join their local Regional Association, which gives clubs a direct voice in the Government of the Sport via the Regional Committee and Motorsport UK. A current list of the Regional Associations and contacts can be viewed in the Regional Structure section of the Yearbook:

## Why become Recognised?

Motorsport UK is the internationally recognised governing body for 4 wheeled motor sport in the United Kingdom, and as such is responsible for ensuring that events are run to a common set of regulations, are properly insured and that the interests of both competitors and organisers are fully protected.

As a result of being recognised, members of your club can, under certain conditions, take part in events organised by other recognised clubs, and invitations can be made to your own events.

All events organised by recognised clubs are held under a master set of rules; the General Regulations of Motorsport UK. The use of these avoid the possibility of ambiguities arising through different clubs (over 700 in all) operating different Regulations, and in the case of a dispute arising, Motorsport UK can arrange adjudication. These Regulations range from Racing and Rallying to Off Road specialised events and prove to be invaluable as a guide to competitors and organisers alike. Individual events, of course, have their own Supplementary Regulations covering specific points for each event. Race Meetings, Speed Events, Rallies and many other events are authorised by Motorsport UK.

It is not generally realised that clubs, in promoting competitions, could in the event of an accident-causing injury or death become liable to a substantial claim. Motorsport UK, by means of a Master Insurance Policy, arranges Club Third Party Insurance Cover to an indemnity amount of £100m for all motoring events run under a Permit. Insurance cover for Race Meetings, Speed and other events such as Rallies, Trials and Autotests are paid for on a per capita basis. Full details of all Insurances are included in the Motorsport UK Yearbook, Appendix 2. Motorsport UK also automatically arranges personal accident insurance for licenced competitors, marshals and officials signed-on at an event.

Recognised clubs receive three copies of the Motorsport UK Yearbook annually. The Kart Race Yearbook will be included for kart clubs. In addition, Club Secretaries will receive digital copies of the Revolution Magazine – a Motorsport UK publication which carries information of interest to clubs and their members, including changes of Regulations.

## Benefits of Motor Club Registration

Motionsport UK is the internationally recognised controlling body of most four-wheeled motor sport in the United Kingdom. Motionsport UK ensures that events run to a common set of regulations, are properly insured against third party risks and that the interests of competitors and organisers are fully protected.

Motionsport UK is a non-profit making limited company. Much of its income comes from the sale of competition licences, event permits and motor club registration fees. The balance is earned from major events (the Wales Rally GB and the British Grand Prix, for example) and from championships (like the British Rally Championship).

Members of a recognised club can take part in events organised by other recognised clubs (there are over 720 of them), and invitations can be made to your club's events.

Motionsport UK General Regulations cover Autotests, Autocross, Car Racing, Cross Country (4x4), Drag Racing, Hill Climbs, Kart Racing, Rallycross, Rallying, Sprints and Trials. Clubs add their own 'supplementary regulations' to cover specific points for each event.

In the event of an accident-causing injury or death, the organising club may be liable to substantial claims. The Motionsport UK master insurance policy provides third-party cover to a maximum of £100m for any motoring event run with Motionsport UK approval. For a social event, like static displays, Concours d'Elegance and some veteran events, approval is given for a small charge. Motionsport UK also arranges automatic personal accident insurance for marshals and officials on events.

In association with Bluefin Sport, Motionsport UK has been able to extend the existing third-party cover to provide £100m of public liability insurance for member clubs' social activities, such as awards nights and dinner dances.

Recognised clubs can apply for grant aid for eligible projects through the Motionsport UK Development Fund (projects with a total value of £4 million have been helped in this way since 1995). Motionsport UK's own registered charity - the British Motor Sports Training Trust - can also grant aid certain Marshal's training days run by Recognised Clubs and Regional Associations.

Your club will receive regular information, including copies of the Revolution Magazine and the clubs' newsletter, emailed to clubs on a monthly basis. Each club also receives three copies of the Motionsport UK Yearbook, the famous 'blue book' of rules.

## Bluefin Sport

The Bluefin Sport Motionsport UK Club of the Year Award is awarded on an annual basis, providing clubs the opportunity to be recognised for their efforts irrespective of their size and expertise.

## Regional Associations

Regional Associations are composed of clubs individually recognised for the promotion of motor competitions by and on behalf of the Motor Sports Council of Motorsport UK.

**In order to become registered with Motorsport UK, clubs must first become a member of a Regional Association.**

Each individual Regional Association acts as an advisory and liaison body between Motor Sport Clubs and their members and Motorsport UK, and can represent the views of those clubs on matters of current interest or concern directly to the Motor Sports Council and Motorsport UK through the forum of the Regional Committee.

Membership of Regional Associations also enables clubs to access a wealth of accumulated experience and guidance across a broad spectrum of Motor Sport, to widen the number of events and championships in which club members can compete.

A current list of Regional Association contacts can be viewed in the Regional Structure section of the Yearbook, which can be obtained from the Motorsport UK Resource Centre:

<https://www.motorsportuk.org/resource-centre/>

## Public Highway Events

All motoring competitions held on the public highway, including motorcycle events, are governed by the Motor Vehicles (Competitions and Trials) Regulations 1969 (as amended). Under this legislation, the Royal Automobile Club Motor Sports Association Ltd is the sole authorising body for England and Wales on behalf of the Department of Transport. Scotland is handled in a similar fashion, albeit with a different system of processing, by the Royal Scottish Automobile Club (RSAC).

Although certain events are automatically Authorised under the legislation, in particular events involving no more than twelve competing vehicles, or those with no set route or timing on the public highway, all organisers should ensure that they are acquainted with the terms of the legislation prior to running any event for cars or motorcycles on the public highway.

The official title of the main document for England and Wales Statutory Instruments 1969 No. 414 Road Traffic and for Scotland No. 2019 (S166) 1976.

In England and Wales, most events which require Authorisation under the legislation must make application to the Competition Authorisation Office (CAO) between two and six months prior to the planned date of the event, on an official application form (form E.404) in line with its accompanying notes (form E.405). Applications should be submitted online to [cao@motorsportuk.org](mailto:cao@motorsportuk.org) and contain; a completed and signed E404 Application form, a copy of the route preferably in .qu2, .gpx or .mmo format, including control and time schedule details. The minimum period of 2 months is rigorously enforced.

Applications are checked for compliance with the legislation and also with a rationing system which is designed to limit the number of events using a particular section of road in a given period. A certain level of public relations work is required as a condition of the Authorisation being issued, this being designed to limit the impact of events upon local residents. Having accepted the application, the CAO then sends the event details to the Police forces and National Parks involved with the route and will also confirm direct to the organisers all actions to be taken in response to any observations they make about the event. Organisers are also required to contact the Route Liaison Officers (RLO's) and gain their approval for the planned event. Before the granting of the actual Authorisation (form E.406) a fee will be required, as the CAO is required to be self-financing rather than a drain on central government finances. Events are Authorised for a fixed maximum number of starters and for maximum mileage as previously confirmed by the organisers.

Application forms, details of fees and further information can be found in the Resource Centre on the Motorsport UK website: <https://www.motorsportuk.org/resource-centre/>
