### Section N – Autocross & Rallycross

#### Current Regulation

C2.1.8.1. For Short Circuit Karting a competitor who receives three recorded, non-technical, penalties within twelve months will receive a formal warning issued by Motorsport UK. Should the competitor, within three months of the formal warning receive any further, non-technical, penalty this will result in the suspension of his licence for three months, in addition to any other penalty imposed. This does not however remove the provision of 2.1.8 being imposed for points accrued in accordance with 2.1.5(iii)

#### Proposed Regulation

C2.1.8.1. For Short Circuit Karting. **Rallycross and Autocross** a competitor who receives three recorded, non-technical, penalties within twelve months will receive a formal warning issued by Motorsport UK. Should the competitor, within three months of the formal warning receive any further, non-technical, penalty this will result in the suspension of his licence for three months, in addition to any other penalty imposed. This does not however remove the provision of 2.1.8 being imposed for points accrued in accordance with 2.1.5(iii)

**Date of Implementation:** 1<sup>st</sup> January 2023

**Reason:** *With the format of events similar to Karting would largely allow for penalties to conclude at the end of the meeting.*
