## Section N – Autocross and Rallycross

### Proposed Regulation

N2.13.4 If the course is not less than 15m wide at any point and over 600m long **then a maximum of** four cars may be started simultaneously **unless specific approval has first been given by Motorsport UK.**

### **Date of Implementation: 1<sup>st</sup> January 2024**

**Reason:** To regulate and permit current practice whereby Motorsport UK has been asked to agree to more than 4 starters for example Sand Racing in Jersey which has been running up to 8 starters for many years.
